

COMPANY PROFILE

BRANDING THE NATION

www.devisjaya.co.id

HISTORY

Devis Advertising's journey began in 1981, when the founder of the company (Alm) Mr. Anton Goewito, started an advertising business in Bandar Lampung. With high enthusiasm, clear vision, and unwavering dedication, he has succeeded in bringing this company to grow rapidly from initially serving only a few local clients to becoming one of the major players in the OOH Advertising industry in Indonesia.

Now, Devis Advertising leads by **Mr. Novis A.Goewito**, in the last few decades, Devis Advertising has proven its success in the outdoor advertising industry. With a rich history, unwavering dedication and a strong vision, the company is constantly moving forward and is committed to being the partner of choice in meeting their clients' outdoor advertising needs.

OUR VALUE

ONE STOP SOLUTION

Devis Advertising is an OOH (Out of Home) and DOOH (Digital Out of Home) Advertising company which has become one of the pioneers and leaders in the outdoor advertising industry in Indonesia. With a strong commitment to innovation, quality and superior customer service, Devis Advertising has built a solid reputation since its inception.

In addition, Devis Advertising also adopts the latest technology and trends in the advertising industry. We use advanced technology for mapping strategic locations, analyzing data, and measuring campaign effectiveness. This allows them to provide more scalable services and more optimal results to their clients.

ONE STOP SOLUTION

PROGRAMMATIC CAMPAIGN

Advertisers can develop even more effective advertising strategies with **PROGRAMMATIC**. Advertisements can be adjusted based location, temperature and time using the dashboard's various systematic features.

Devis Advertising **PROGRAMMATIC** Dashboard is also equipped with accurate measurement features that can detect the amount of traffic and demographic, adding value to an advertising technology advancement.
